Sponsor of the Month:

We would like to thank Allegiance Credit Union for their partnership and presence at TEEM!

Our Purpose

Empower people,
change lives.

Dorothy came to TEEM and joined the Ready for Work class with the attitude that she knew all there was to know about preparing for the workplace. However, Dorothy quickly realized the impact that individual attention and guidance can have on her ability to grow with the ever-changing job market.

"I was so impressed with the personal approach and interaction I received through the class. By the time I completed the class people were seeing the change in me," said Dorothy. "I give TEEM rave reviews everywhere I go, because I believe they put the edge on my professionalism."

By contributing to TEEM, you make a difference in the lives of hundreds of people in our community. TEEM's multi-dimensional approach to reducing poverty goes beyond the issue of joblessness to focus on nurturing the student in their entirety, so the student can make a tangible change in their life.

"I consider it an honor, a blessing and a privilege to have been a part of TEEM. I am forever changed and will always hold this experience in my heart," said Dorothy.

TEEM relies on your support to continue to impact our community through education, social services and employment. To help support the work at TEEM [click here](#).

Black History Month Contest

Students were given the opportunity to compose an essay, poem or illustration of a Black American that had positively impacted their life for TEEM's second annual Black History Month Contest. All participants were celebrated by taking a tour of the Oklahoma State Capitol.
