**TAKE A TOUR:**  
July 15 & 29  
Aug 12 & 19  
at 1:30 PM

**Our Purpose:**  
Empowering people, changing lives.

It's amazing how the simplest things have the potential to make such a profound impact, and we see examples of that every day at TEEM. 72 cents can fill a stomach with a warm meal, a recycled shirt and tie can cause someone to stand up taller, a bus pass can lead to the beginning of a new career and just one week can be all it takes to transform a life.

Just by your support of TEEM we know you desire to make a big difference in this community, which is why we have one small favor to ask of you. Will you help us to spread the word of TEEM this week?

We want to expand our impact on facebook, so that more people can know our mission, services and how they can get involved. It may sound frivolous to want more "friends", but social networking is cost efficient and crucial way to increase awareness of TEEM's mission and get people involved. Hundreds of people receive this e-mail, so imagine if each of you shared TEEM with the hundreds of "friends" you have on facebook, and what you shared impacted some of your friends so much that they couldn't help but share with their friends. It's so simple, but your support could help TEEM grow in an impactful way. We have two easy steps for you to impliment this week that will help us in this effort without even leaving your seat!

**Step 1**

- If you haven't already, please, take a moment and [click here to "LIKE" TEEM](#) on facebook.

**Step 2**

- In your personal status bar on facebook tell your friends what TEEM means to you or why it's valuable for the community.
- Invite them to [visit our fan page](#) and "LIKE" TEEM.

- It should look something like this:
